§ 1.07-80 Reopening of hearings.

(a) At any time prior to final agency action in a civil penalty case, a party may petition to reopen the hearing on the basis of newly discovered evidence.

(b) Petitions to reopen must be in writing describing the newly found evidence and must state why the evidence would probably produce a different result favorable to the petitioner, whether the evidence was known to the petitioner at the time of the hearing and, if not, why the newly found evidence could not have been discovered in the exercise of due diligence. The party must submit the petition to the Hearing Officer.

(c) The District Commander may file comments in opposition to the petition. If comments are filed, a copy is provided the party.

(d) A petition to reopen is considered by the Hearing Officer unless an appeal has been filed, in which case the petition is considered by the Commandant.

(e) The decision on the petition is decided on the basis of the record, the petition, and the comments in opposition, if any. The petition is granted only when newly found evidence is described which has a direct and material bearing on the issues and when a valid explanation is provided as to why the evidence was not and could not have been, in the exercise of due diligence, produced at the hearing. The decision is rendered in writing.

(f) Following a denial of a petition to reopen, the party is given 30 days to file an appeal if one has not already been filed, or to amend an appeal which has already been filed.

(b) Within 30 days after receipt of the Commandant's decision on appeal, or the Hearing Officer's decision in a case in which no appeal has been filed, the party must submit payment of any assessed penalty to the office specified in the assessment notice. Failure to make timely payment will result in the institution of appropriate action under the Federal Claims Collection Act and the regulations issued thereunder.

(c) When a penalty of not more than \$200 has been assessed under Chapter 43 or 123 of Title 46 U.S.C., the matter may be referred for collection of the penalty directly to the Federal Magistrate of the jurisdiction wherein the person liable may be found, for the institution of collection procedures under supervision of the district court, if the court has issued an order delegating such authority under section 636(b) of Title 28, United States Code.

(a) Prosecution in the Federal courts for violations of those laws or regulations enforced by the Coast Guard which provide, upon conviction, for punishment by fine or imprisonment is a matter finally determined by the Department of Justice. This final determination consists of deciding whether and under what conditions to prosecute or to abandon prosecution.

(b) Except in those cases where the approval of the Commandant is required, the Area, Maintenance & Logistics Command (MLC), and District Commanders are authorized to refer the case to the U.S. attorney. The Commandant's approval is required in the following cases where evidence of a criminal offense is disclosed:

(b) When the U.S. Attorney declines to institute criminal proceedings, the Area, MLC, or District Commander decides whether to initiate civil penalty proceedings or to close the case.
